This Millenium style bungalow comes with a front porch leading into the large open planned living room/dining room. There is plenty of large windows which lets in lots of natural light. Towards the rear of the property is the American style kitchen which comes with all fitted units and work surfaces and it is separated from the living room by a built in breakfast bar. Leading off from the front room is the smaller hallway that takes you to the 2 double sized bedrooms both with built in wardrobes and the family bathroom with full sized bath in the middle. The private garden out the front is a huge size of 132m² so an optional swimming pool can be built here. Sierra golf is found just 5 minutes outside of Balsicas a tranquil village of the Costa Cálida in the region of Murcia. The beautiful white sandy beach of Mar Menor is just 15 mines drive away from the sierra golf and has plenty to do with bars, restaurants and shops. The famous large shopping centre of Dos Mares is only 15 minutes away which has a wide verity of shops including 8 cinemas, bowling alleys, food court and a new Carrefour supermarket. Within walking distance is a selection of bars and restaurants with the main entertainment being the golf club. Which means you can enjoy a day golfing in the sun on this 9 hole course which has previsions of becoming an 18 hole course in the near future.
